The Scotiabank bank account that you wish to select for your pre-authorized mortgage payments and the additional Scotiabank product must be opened prior to your mortgage signing documents being issued. Flex Value Mortgage

You have chosen a Scotia Flex Value® Mortgage, which is a Variable Rate Mortgage with a variable payment amount and no Cap Rate. - The interest rate payable by you on the loan amount is a variable rate, expressed as a rate per annum, equal to our Variable Rate Mortgage (VRM) Base Rate adjusted by our VRM Rate Variance. The VRM Base Rate varies from time to time as the

Scotiabank Prime Rate changes. The VRM Rate Variance is guaranteed until July 10, 2025 - Terms commence on the Term Start Date. - The interest rate and payment amount are based on the VRM Base Rate in effect on the date of this commitment and are not guaranteed at funding. - Your actual interest rate and the corresponding payment amount will be based upon the VRM Base Rate in effect on the date your mortgage funds are advanced. Thereafter, the interest rate and payment amount will vary automatically immediately following any change to the VRM Base Rate. Please refer to your Personal Credit Agreement Companion Booklet for additional information. At any time, you can switch to a fixed term product — with a term greater than the remaining term on your Scotia Flex Value® Mortgage, with no prepayment charges.

In this **PAD Agreement**, "you" and "your" mean each person who signs or accepts this agreement as borrower and co-borrower, and "we", "our" and "us" mean The Bank of Nova Scotia, Scotia Mortgage Corporation and, as appropriate, any of our subsidiaries. "**Loan(s)**" means the loan(s) or mortgage(s) listed in the Commitment Letter issued in connection with the application number referenced above.

At least one of the borrowers on the Loan(s) must be an account holder of the account being debited.

Borrower	Co-borrower	Co-borrower
Jason Reid	Susanne Reid	

Pre-Authorized Debit (PAD) Account		
Transit Number	Financial Institution Number	Account Number
00592	003	5105135

Please provide us with a cheque marked VOID drawn on the PAD Account listed above or a pre-authorized debit form for the PAD Account from your financial institution.

By signing or accepting this PAD Agreement, you authorize us to debit the PAD Account you have designated in this PAD Agreement for your payment, including any tax payment, any costs, service charges and fees, as described in any documents related to the Loan(s). For mortgage loans, we may debit the interest from the date of the first advance until the term start date (Interest Adjustment Date) at which time regular repayments will commence.

The frequency of withdrawals from your PAD Account will be as set out in the documents related to your Loan(s), which may be amended from time to time.

If you are enrolled in Scotia Mortgage Protection insurance, your Scotia Mortgage Protection insurance premium will be debited from the same account and at the same frequency as payment for your Loan(s) if you have been advised accordingly pursuant to a pre-authorized debit agreement for your Scotia Mortgage Protection insurance.

The debits charged to your PAD Account are considered to be personal pre-authorized debits.

This PAD Agreement replaces any prior pre-authorized payment agreement you have provided in connection with the Loan(s).

Authority to Debit Account

When you give us this authorization to debit your PAD Account, it is the same as delivering a notice to your financial institution where you maintain your PAD Account. Your financial institution will debit the PAD Account you specify in the same manner as if you had given written instructions.

The financial institution listed will not check if the debit was in accordance with this authorization nor verify that we have fulfilled the purpose of the debit as a condition to honouring the debit.

You agree that any renewal of or amendment or adjustment to the Loan(s) or Scotia Mortgage Protection insurance and any adjustment in the amount required to pay your property taxes for the Loan(s) and/or any applicable service charges and fees set out in any documents related to your Loan(s) will result in an automatic adjustment of the payment amount(s) and you authorize us to debit your PAD Account in such adjusted amount(s).

Waiver of Confirmation and Pre-Notification

You waive the right to receive a copy of this PAD agreement (the "Confirmation") at least 10 calendar days prior to the due date of the first pre-authorized debit.

You waive the right to receive notice at least 10 days prior to any change to the payment amount and/or payment date before the debit is processed.

Cancellation of Agreement

The authorization under this PAD Agreement will continue until you cancel it. This PAD Agreement applies only to the method of payment and does not have any bearing on your obligations under your Loan(s). Cancellation of this PAD Agreement does not eliminate your obligation to make payments to us.

You may cancel this PAD Agreement at any time by providing us with no less than 30 days' written notice before the next scheduled debit. However, you must provide us with a replacement pre-authorized debit authorization acceptable to us at least 2 business days before the due date of the next Loan payment. To obtain a sample cancellation form, or for more information on your right to cancel a PAD agreement, you may contact your financial institution or visit <https://payments.ca/>.

We may cancel this PAD Agreement upon providing you with at least 10 calendar days' written notice.

Account Information

You are responsible for letting us know if there are any changes to the PAD Account information for this pre-authorized debit. Changes must be submitted to us in writing. You will provide us with another authorization if this is required.

Insufficient Funds

We are not responsible to notify you if the pre-authorized payment was reversed due to insufficient funds or changes in the PAD Account status (even if we choose to do so). You are responsible for any charges that arise from this situation and to ensure that the required payment is made through an alternative method.

For any Loan(s) (other than a Scotia Plan Loan) or Scotia Mortgage Protection insurance, when the PAD Account is held at another financial institution, you must contact us to continue the preauthorized payment arrangement if any pre-authorized payment is reversed. For any Scotia Plan Loan, when the PAD Account is held at another financial institution and any pre-authorized payment is reversed, you must make arrangements with us to cover the amount of the reversed payment. However, we will continue the pre-authorized payment arrangement for the subsequent payments. If a Loan is in arrears for more than 60 days, we will discontinue the pre-authorized payments for the Scotia Mortgage Protection insurance premium(s) for that Loan, if applicable, however we may continue to debit your PAD Account for your Loan payment, including any tax payment, and any costs, service charges and fees.

Right of Reimbursement

You have certain recourse rights if any debit does not comply with this PAD Agreement. For example, you have the right to receive reimbursement for any debit that is not authorized or is not consistent with this PAD Agreement. To obtain more information on your recourse rights, you may contact your financial institution or visit <https://payments.ca/>.

Questions and Contact

If you have any questions about this PAD Agreement or would like to make inquiries or obtain information, please contact us at 1-800-4SCOTIA (472-6842). You may also contact us at your servicing branch to provide notices, make enquiries, obtain information or seek recourse with respect to any debits under this PAD Agreement.

Mortgage Protection Plan®

It's about *more* than just insurance.

Apply online with the link on your application form and get access to more options such as paying with credit card, insuring part of your mortgage, and more.

Why Mortgage Protection?

Manulife Mortgage Protection Plan® (MPP) can help you cover mortgage payments in the event of death, a serious accident or illness. Plus, you will pay no premiums for the first 30 days of any MPP coverage you apply for. This complimentary period gives you time to review your needs with our licensed professionals. Simply check the instruction box on your MPP application.

Help protect your family and your home. It's easy!

Coverage can start immediately.

No waiting. Your coverage can begin as soon as **your application is complete**. However, if you want to delay your coverage, just check the "I want to delay my coverage start date to match the funding date" box.

There's a payment option to fit every budget.

Mortgage Protection offers a variety of payment options, so you can choose the one that works for you, from **monthly**, to **semi-monthly** and **bi-weekly**. Look at the quote section on the application form to confirm which premium payment frequency option is quoted.

Coverage moves with you.

Moving or changing lenders? **Your original coverage goes with you**. Your premium is locked in at the age you applied.

We say YES to every eligible applicant.

Every eligible applicant is approved for some level of protection. If you don't qualify for full life and/or disability coverage, we can provide accidental death and accidental disability at a reduced premium.¹

60-day money-back guarantee.

Review your coverage in detail for 60 days. If you change your mind within the first 60 days, we'll give you **your money back** less any claims paid.

Simple, convenient protection.

When you apply, you will be asked questions about your health. Based on your answers, tests may be required. The results will determine your coverage and premiums. However, if the telephone interview or any applicable tests are not completed within 30 days, we will only provide accidental coverage.

Two valuable extra benefits²

- Terminal Illness:** Your life coverage includes a terminal illness benefit. If you are diagnosed with a Terminal Illness³ after 6 months have passed from the insurance start date, we will take over your mortgage payments.
- Waiver of Premium due to Job Loss⁴:** Your Life and/or Disability insurance premiums will be waived for 3 months if you involuntarily lose your job after 6 months from the insurance start date. You can claim this benefit once per year.

Apply today and help protect the people you love.

¹ Accidental death premiums are 47.6% of the Life premiums and accidental disability premiums are 60% of the Disability premiums.

² Extra benefits are available for new certificates issued after February 20, 2020. Exclusions and limitations apply.

³ Terminal Illness means an illness that is progressive in nature, cannot be cured and cannot be treated and therefore it is expected to result in death within 12 months of diagnosis.

⁴ Waiver of Premium due to Job Loss has a maximum of \$300 per claim. Involuntary job loss means you are no longer employed as a result of an involuntary lay-off or dismissal without a cause.

Mortgage Protection Plan® (MPP) insurance provides two important options for mortgage protection: Life and Disability

1. Life Protection

MPP Life insurance pays off or reduces your mortgage balance.

Your life benefit is calculated based on a traditional mortgage that steadily declines as you regularly pay principal and interest. This benefit covers your insured debt up to the amount that would have been owing under a traditional mortgage. If you only insure part of your mortgage, or your mortgage is not declining every month (e.g. Line of credit), or you borrow more money, or the amortization period is extended; then this insurance may only cover part of your debt.

As a unique feature, we provide Life Bridge Benefits, which cover your mortgage payments while we review your claim.¹

You are eligible to apply if you're a Canadian resident between 18 and 64 years old and are a borrower, co-borrower or guarantor on a residential mortgage.

General Exclusions

Your insurance benefit will not be paid if terminal illness, death or disability is associated with:

- suicide or attempted suicide within 2 years of the coverage start date;
- committing or provoking a criminal offence including assault or driving while impaired (whether or not you are charged);
- any act of war or insurrection, unless you are a member of the Canadian Armed Forces or Canadian Forces Reserve;
- alcohol abuse or drug use that is not in strict accordance with a Physician's prescription;
- any other exclusion outlined in your Certificate.

2. Total Disability Protection

MPP Disability insurance pays your share of the monthly mortgage payment if you are Totally Disabled² for at least 60 days.

Your disability benefit will equal your share of the Initial Mortgage payment selected on your application. No benefit is paid for the 60-day qualification period or during any regular seasonal lay-off if you're seasonally employed. In some cases, your disability benefit may be less than your actual monthly payment. This can happen only if you insured part of your mortgage, or if you increased your mortgage payment after you have purchased this insurance.

As a unique feature, we provide one extra disability benefit payment after you get back to work.

Additional Disability Exclusions

Your insurance benefit will not be paid if disability is associated with:

- any exclusions listed under General Exclusions;
- normal pregnancy or childbirth;
- cosmetic or elective surgery;
- self-inflicted injuries unless medical evidence establishes that the injuries are related to a mental illness; or
- a Pre-existing Condition which results in your disability at any time before the first anniversary from the date coverage starts. Pre-existing Condition means any medical condition, sign, symptom, illness or disease diagnosed or undiagnosed for which you consulted a Physician or for which you received medical advice or treatment in the 12 months prior to the Coverage Start Date.

¹ If you have a traditional mortgage and your life insurance covers the whole debt, the Life Bridge benefit will equal your monthly mortgage payment. Otherwise, the benefit may be lower.

² If you work at least 20 hours per week for at least 40 weeks in the 12 months before you become disabled, or if you are seasonally employed and work at least 20 hours per week for 13 consecutive weeks in that period, then you are totally disabled if you can't perform the essential duties of your normal job due to illness or injury. Otherwise, you are totally disabled if you can't do at least 2 of the following activities of daily living without another person's help: dressing; eating; getting out of bed; toileting; walking.

More information about Life and Disability coverage:

Maximum Coverage

Manulife will insure up to \$1 million per person for Life insurance and \$10,000 for Disability insurance for a maximum of 24 months under all MPP insurance and CSP insurance combined. In addition, Maximum Coverage is subject to the Overall Benefit Maximum.

Overall Benefit Maximum

1. Manulife will cover up to the amount owing on the mortgage debt.
2. If more than one person is insured on the mortgage debt and two or more pass away or are totally disabled at the same time, Manulife will cover up to the Maximum Coverage outlined above.
3. If you already have MPP insurance and you apply for additional coverage that exceeds the maximum, your new coverage will be reduced so the maximum is not exceeded.

Blend and extend your existing coverage

If you already have MPP insurance and make a significant change to your mortgage, you may not be insured for the full amount you owe. But you can apply for an increase in coverage by checking the "I have MPP insurance on this debt and am applying for additional life and/or disability insurance" box on your application. The additional coverage will work as follows: your initial insurance benefit under the new certificate will equal your new refinanced debt or mortgage payment minus your original insured amounts on your existing certificate. The additional coverage premium will be calculated using your age at that time and the rates then available. You'll keep your existing coverage at your existing rates, and the payment frequency for your existing insurance will change to match your new frequency, if different.

When does my Life insurance end?

Whichever happens first:

- For **Life Protection** – Your 70th birthday
- For **Total Disability Protection** – Your 65th birthday
- The date on which you no longer have a mortgage*
- The end of the initial amortization period
- The date on which you decide to cancel your protection
- The date insurance premiums are 31 days overdue
- The date on which a life insurance benefit becomes payable
- The date your Certificate becomes void due to misrepresentation

If you only qualify for accidental coverage, for benefits to be payable, the death or disability must be caused solely and directly by an accident while the coverage is in force, and the death or disability must happen within 1 year of the accident.

Please check your Certificate. If you are approved for accidents only or with exclusions, you will be notified in your Certificate package. If you provide incomplete or inaccurate information including information about your health or smoking status, then your insurance may be void and no benefits may be paid for any reason.

To make a claim:

Call **1-866-677-4366** and you will be provided with the claim forms to be completed.

* If you pay off your mortgage and don't replace it with a new one, let us know so we stop collecting premiums.

Why Mortgage Protection?

Manulife Mortgage Protection Plan® (MPP) can help you cover mortgage payments in the event of death, a serious accident or illness. Simply check the instruction box on your MPP application.

Help protect your family and your home. It's easy!

Coverage can start immediately.

No waiting. Your coverage can begin as soon as **your application is complete**. However, if you want to delay your coverage, just check the "I want to delay my coverage start date to match the funding date" box.

There's a payment option to fit every budget.

Mortgage Protection offers a variety of payment options, so you can choose the one that works for you, from **monthly**, to **semi-monthly** and **bi-weekly**. Look at the quote section on the application form to confirm which premium payment frequency option is quoted.

Coverage moves with you.

Moving or changing lenders? **Your original coverage goes with you**. Your premium is locked in at the age you applied.

We say YES to every eligible applicant.

Every eligible applicant is approved for some level of protection. If you don't qualify for full life and/or disability coverage, we can provide accidental death and accidental disability at a reduced premium.¹

60-day money-back guarantee.

Review your coverage in detail for 60 days. If you change your mind within the first 60 days, we'll give you **your money back** less any claims paid.

Simple, convenient protection.

When you apply, you will be asked questions about your health. Based on your answers, tests may be required. The results will determine your coverage and premiums. However, if the telephone interview or any applicable tests are not completed within 30 days, we will only provide accidental coverage.

Two valuable extra benefits²

- Terminal Illness:** Your life coverage includes a terminal illness benefit. If you are diagnosed with a Terminal Illness³ after 6 months have passed from the insurance start date, we will take over your mortgage payments.
- Waiver of Premium due to Job Loss⁴:** Your Life and/or Disability insurance premiums will be waived for 3 months if you involuntarily lose your job after 6 months from the insurance start date. You can claim this benefit once per year.

The Manufacturers Life Insurance Company (Manulife)

¹ Accidental death premiums are 47.6% of the Life premiums and accidental disability premiums are 60% of the Disability premiums.

² Extra benefits are available for new certificates issued after February 20, 2020. Exclusions and limitations apply.

³ Terminal Illness means an illness that is progressive in nature, cannot be cured and cannot be treated and therefore it is expected to result in death within 12 months of diagnosis.

⁴ Waiver of Premium due to Job Loss has a maximum of \$300 per claim. Involuntary job loss means you are no longer employed as a result of an involuntary lay-off or dismissal without a cause.

Mortgage Protection Plan® (MPP) insurance provides two important options for mortgage protection: Life and Disability

1. Life Protection

MPP Life insurance pays off or reduces your mortgage balance.

Your life benefit is calculated based on a traditional mortgage that steadily declines as you regularly pay principal and interest. This benefit covers your insured debt up to the amount that would have been owing under a traditional mortgage. If you only insure part of your mortgage, or your mortgage is not declining every month (e.g. Line of credit), or you borrow more money, or the amortization period is extended; then this insurance may only cover part of your debt.

As a unique feature, we provide Life Bridge Benefits, which cover your mortgage payments while we review your claim.¹

You are eligible to apply if you're a Canadian resident between 18 and 64 years old and are a borrower, co-borrower or guarantor on a residential mortgage.

General Exclusions

Your insurance benefit will not be paid if terminal illness, death or disability is associated with:

- suicide or attempted suicide within 2 years of the coverage start date;
- committing or provoking a criminal offence including assault or driving while impaired (whether or not you are charged);
- any act of war or insurrection, unless you are a member of the Canadian Armed Forces or Canadian Forces Reserve;
- alcohol abuse or drug use that is not in strict accordance with a Physician's prescription;
- any other exclusion outlined in your Certificate.

2. Total Disability Protection

MPP Disability insurance pays your share of the monthly mortgage payment if you are Totally Disabled² for at least 60 days.

Your disability benefit will equal your share of the Initial Mortgage payment selected on your application. No benefit is paid for the 60-day qualification period or during any regular seasonal lay-off if you're seasonally employed. In some cases, your disability benefit may be less than your actual monthly payment. This can happen only if you insured part of your mortgage, or if you increased your mortgage payment after you have purchased this insurance.

As a unique feature, we provide one extra disability benefit payment after you get back to work.

Additional Disability Exclusions

Your insurance benefit will not be paid if disability is associated with:

- any exclusions listed under General Exclusions;
- normal pregnancy or childbirth;
- cosmetic or elective surgery;
- self-inflicted injuries unless medical evidence establishes that the injuries are related to a mental illness; or
- a Pre-existing Condition which results in your disability at any time before the first anniversary from the date coverage starts. Pre-existing Condition means any medical condition, sign, symptom, illness or disease diagnosed or undiagnosed for which you consulted a Physician or for which you received medical advice or treatment in the 12 months prior to the Coverage Start Date.

¹ If you have a traditional mortgage and your life insurance covers the whole debt, the Life Bridge benefit will equal your monthly mortgage payment. Otherwise, the benefit may be lower.

² If you work at least 20 hours per week for at least 40 weeks in the 12 months before you become disabled, or if you are seasonally employed and work at least 20 hours per week for 13 consecutive weeks in that period, then you are totally disabled if you can't perform the essential duties of your normal job due to illness or injury. Otherwise, you are totally disabled if you can't do at least 2 of the following activities of daily living without another person's help: dressing; eating; getting out of bed; toileting; walking.

More information about Life and Disability coverage:

Maximum Coverage

Manulife will insure up to \$1 million per person for Life insurance and \$10,000 for Disability insurance for a maximum of 24 months under all MPP insurance and CSP insurance combined. In addition, Maximum Coverage is subject to the Overall Benefit Maximum.

Overall Benefit Maximum

1. Manulife will cover up to the amount owing on the mortgage debt.
2. If more than one person is insured on the mortgage debt and two or more pass away or are totally disabled at the same time, Manulife will cover up to the Maximum Coverage outlined above.
3. If you already have MPP insurance and you apply for additional coverage that exceeds the maximum, your new coverage will be reduced so the maximum is not exceeded.

Blend and extend your existing coverage

If you already have MPP insurance and make a significant change to your mortgage, you may not be insured for the full amount you owe. But you can apply for an increase in coverage by checking the "I have MPP insurance on this debt and am applying for additional life and/or disability insurance" box on your application. The additional coverage will work as follows: your initial insurance benefit under the new certificate will equal your new refinanced debt or mortgage payment minus your original insured amounts on your existing certificate. The additional coverage premium will be calculated using your age at that time and the rates then available. You'll keep your existing coverage at your existing rates, and the payment frequency for your existing insurance will change to match your new frequency, if different.

When does my Life insurance end?

Whichever happens first:

- For **Life Protection** – Your 70th birthday
- For **Total Disability Protection** – Your 65th birthday
- The date on which you no longer have a mortgage*
- The end of the initial amortization period
- The date on which you decide to cancel your protection
- The date insurance premiums are 31 days overdue
- The date on which a life insurance benefit becomes payable
- The date your Certificate becomes void due to misrepresentation

If you only qualify for accidental coverage, for benefits to be payable, the death or disability must be caused solely and directly by an accident while the coverage is in force, and the death or disability must happen within 1 year of the accident.

Please check your Certificate. If you are approved for accidents only or with exclusions, you will be notified in your Certificate package. If you provide incomplete or inaccurate information including information about your health or smoking status, then your insurance may be void and no benefits may be paid for any reason.

To make a claim:

Call **1-866-677-4366** and you will be provided with the claim forms to be completed.

* If you pay off your mortgage and don't replace it with a new one, let us know so we stop collecting premiums.

About this mortgage protection insurance

This brochure is a summary, not a contract.

This brochure is designed to outline the benefits for which you may be eligible and does not create any contractual or other rights. All of your rights and benefits will be governed solely by the Certificate we issue to you and the Group Policy issued to your mortgage broker.

Role of Your Mortgage Broker

Your mortgage broker is not a licensed life insurance agent. Your mortgage broker's role is to have you complete the preprinted application form ("Application"). You may wish to speak to a licensed agent; if you need advice about this product, please contact one at the phone number on the first page. For other insurance advice, you can consult a licensed agent of your choice. Your mortgage broker is the group policyholder for this MPP insurance coverage. Third party administrators acting on behalf of your mortgage broker, such as Broker Support Centre Inc., may receive remuneration for providing administrative duties.

Pre-authorized debit agreement ("PAD") for personal premium payments

By signing the Application, you confirm being an owner of the account for which you have provided a void cheque and authorize premiums for any insurance purchased from us or our agents to be collected without further notification to you before payments commence. Premium payments and collection dates will be confirmed in the Coverage Summary sent with your Certificate of Insurance, and can commence as early as the day after your Application is submitted. You waive the right to receive further notice of the amount and date of each automatic withdrawal from your account, including withdrawals for all coverage subject to Blend and extend. If your bank or financial institution does not honour an automatic premium withdrawal the first time it is presented for payment, we will attempt to withdraw that payment again within 30 days. We reserve the right to ask for an alternate method of payment if your payment is not honoured. All one-time or automatic withdrawals from your bank account will be treated as personal withdrawals as defined by Payments Canada in Rule H-1. You can cancel your payment authorization at any time by sending us written notice. You understand that cancelling this PAD agreement may result in a loss of insurance coverage unless we receive another form of payment. You have certain recourse rights if any debit does not comply with this agreement. For example, you have the right to receive reimbursement for any debit that is not authorized or is not consistent with this PAD Agreement. To obtain more information on your recourse rights or your right to cancel, or to obtain a sample cancellation form, you may contact your financial institution or visit www.payments.ca.
